

## 38th ANNUAL LOUIS TEWANIMA FOOTRACE INFORMATION SHEET

- Description** The Louis Tewanima Foundation is a non-profit grass roots organization who for the past 37 years has sponsored the annual Louis Tewanima Memorial Footrace held each year on the Hopi reservation in honor of Louis Tewanima, the first and only Hopi Olympian to represent the United States in the 1908 and 1912 Olympic Games. He set an Olympic record for the 10,000 meter race in 1912, winning a Silver medal and setting a record that stood, until broken by Billy Mills in 1964. We commemorate his desire to promote the physical, health and well-being of Native American youth.
- Race Date** **Sunday, September 4, 2011** (Labor Day Weekend)
- Time** 10:00 a.m. – 8:00 p.m. - Pre-Registration – Saturday, September 3, 2011

For other food and gas station locations, ask committee members.

**Visitor Etiquette:** Please remember common courtesy as you visit the Hopi reservation and that you are a guest on private trust land. Liberties taken by visitors in the past have led to strict enforcement of regulations by the Hopi Tribe. With respect, the visitor to Hopi can enjoy a rewarding experience unlike any other in the world. Some special restrictions might not be so obvious; however, these simple points should help visitors avoid embarrassment. No recording of any type while in and around Hopi villages. These include, but are not limited to: picture-taking, video recording, audio recording, sketching, and note taking. For more visitor information and etiquette see: Hopi Cultural Preservation Office, Hopi Tribe at <http://www.nau.edu/~hcpo-p/>
